

FSE 2014

22nd ACM SIGSOFT International Symposium on the Foundations of Software Engineering

November 16–21, 2014

Hong Kong

<http://www.sigsoft.org/fse22/>

Conference Organization

General Chair

Shing-Chi Cheung, The Hong Kong University of Science and Technology

Program Chairs

Alessandro Orso, Georgia Institute of Technology

Margaret-Anne Storey, University of Victoria

Workshop Chairs

Shigeru Chiba, The University of Tokyo

Frances Paulisch, Siemens AG

Visions and Challenges Chairs

Jian Lv, Nanjing University

Tao Xie, University of Illinois at Urbana-Champaign

Tutorial Track Chair

Jo Atlee, University of Waterloo

Doctoral Symposium Chairs

Abhik Roychoudhury, National University of Singapore

Xiangyu Zhang, Purdue University

Research Demos Chairs

Darko Marinov, University of Illinois at Urbana-Champaign

Minghui Zhou, Peking University

Industry Relation Chair

Wolfgang Enmerich, Zuhlke Engineering Ltd. and University College London

Student Volunteer Chairs

Christian Bird, Microsoft Research

Jacky Keung, City University of Hong Kong

Artifacts Evaluation Chairs

Antonio Carzaniga, University of Lugano

Prem Devanbu, University of California Davis

ACM Student Research Competition Chair

Dongmei Zhang, Microsoft Research

Local Arrangements Chair

Hareton Leung, The Hong Kong Polytechnic University

Registration Chair

Eric Bodden, Fraunhofer SIT

Publicity Chairs

Diego Garbervetsky (S. America), University of Buenos Aires;

Reid Holmes (N. America), University of Waterloo; *Sung Kim*

(Asia), Hong Kong University of Science and Technology;

Martin Pinzger (Europe & Africa), University of Klagenfurt

Proceedings Chair

Sam Malek, George Mason University

Web and Social Media Chairs

Shauvik Roy Choudhary, Georgia Institute of Technology

Leif Singer, University of Victoria

Treasurer

Y.T. Yu, City University of Hong Kong

Graphic Designer

T.H. Tse, The University of Hong Kong

Conference Secretary

Yepang Liu, The Hong Kong University of Science and Technology

Call for Participation

Registration is now open for FSE 2014. The ACM SIGSOFT International Symposium on the Foundations of Software Engineering (FSE) is an internationally renowned forum for researchers and practitioners from academia and industry to present and discuss the most recent innovations, trends, experiences, and challenges in software engineering. FSE is well known for the high quality of its technical presentations.

To register, please visit the registration website:

<http://www.sigsoft.org/fse22/registration>

Early registration cutoff date is October 5, 2014. Online registrations will close by November 9, 2014. Please follow <http://www.facebook.com/fse14> on Facebook and @FSEconf on Twitter to receive our latest news!

Program Highlights:

- ◆ 3 inspiring keynote/invited talks
- ◆ 61 technical paper presentations
- ◆ 7 visions and challenges presentations
- ◆ 8 enrichment tutorials
- ◆ 7 workshops
- ◆ 6 student research competition presentations
- ◆ 15 tool demonstrations
- ◆ 10 doctoral symposium presentations
- ◆ Internetwork 2014 (co-located event)
